RE: INTENT TO AWARD

Dear Mr. Grunat:

In accordance with our Solicitation Schedule in our Request for Proposals "PDRTA 0816-02", this letter serves as our Intent to Award a contract for one, and up to three 35-foot low-floor transit buses.

At their November 17 2016 meeting, the Pee Dee Regional Transportation Authority Board of Directors authorized me to award a contract to your company for one bus with certain proposed options. We are working to secure the necessary funding to allow us to increase the order to three buses pending approval by our Board of Directors at their next meeting scheduled for January 19, 2017.

I look forward to working with you and your colleagues in discussing the details and processing a contract.

Sincerely,

Charles M. MacNeil
Executive Director
